KILMORIE PRIMARY SCHOOL

Year 2

Weekly Learning Letter

Date: 20th November 2026

This week in Year 2:

We started rehearsing for our Winter performance. We can't wait to share it with you. If your child was sent home with a script, please practise their lines with them at home.

Anti-Bullying Week

Following an assembly from Kate at the beginning of the week, we have been learning about what bullying is, what actions we can take to stop bullying from happening at school and how we can speak up if we see or experience bullying. Ask your child how we can use courage and kindness to unite against bullying!

Maths / Number:

In Maths, we have been adding and subtracting ones to and from two-digit numbers. We have been using our previous knowledge of known facts and number bonds to help us solve problems efficiently.

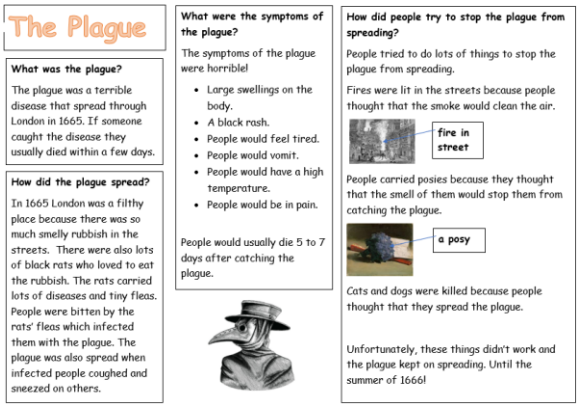
KILMORIE PRIMARY SCHOOL

Year 2

Weekly Learning Letter

English / History:

We have been looking at the different features that you need to write an information text about the Plague. We have been gathering lots of information and looking at how we can group that information using subheadings. We have also been looking at conjunctions, creating questions and writing in the past tense.



Can you think of two of your favourite facts about the Plague and put them into one sentence using a conjunction?

Phonics / Spellings:

This week in phonics, the children have been reviewing these tricky words:
Shoe, two, who, beautiful, prove, through, improve, move, their, parents
We have also been reviewing these sounds:

u-e (makes the oo/yoo sound) cube, use, flute

ew (makes the oo/yoo sound) chew, nephew, drew

ue (makes the oo/yoo sound) blue, true

are (makes the air sound) care, share

ear (makes the air sound) tear, pear

ere (makes the air sound) there, where

or (makes the ur sound) bonus, most

ear (makes the ur sound) search, early

KILMORIE PRIMARY SCHOOL

Year 2 Weekly Learning Letter

Please practise these sounds and words at home. Can you use the words in sentences?
Here is a link to a video which will support you in understanding how to say the phase 5 sounds. In this link you will also find other resources which will help to support your child.

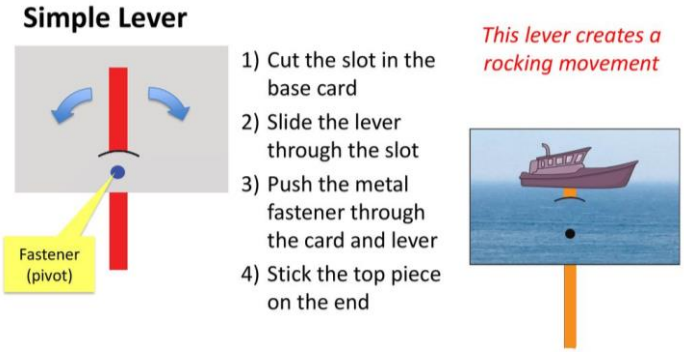
DT and Reading:

In DT this term we will be making a Great Fire of London picture that uses sliders and levers. This week we explored and evaluated a range of moving books and discussed how well the moving parts worked and the effect that they have on the story. We also explored other products with moving parts and had a go at making our own simple mechanism.



Home learning ideas:

Create an information poster on your favourite subject. You might know lots about a particular animal or a game. Include facts to let the reader know more about that subject. Can you create a picture for your poster with flaps that can be lifted?

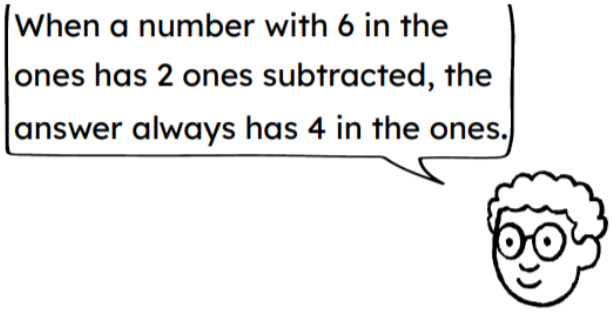
Visit your local library to see if you can find any books with moving parts. Write a note in your reading record journal to explain the effect they had on the story.

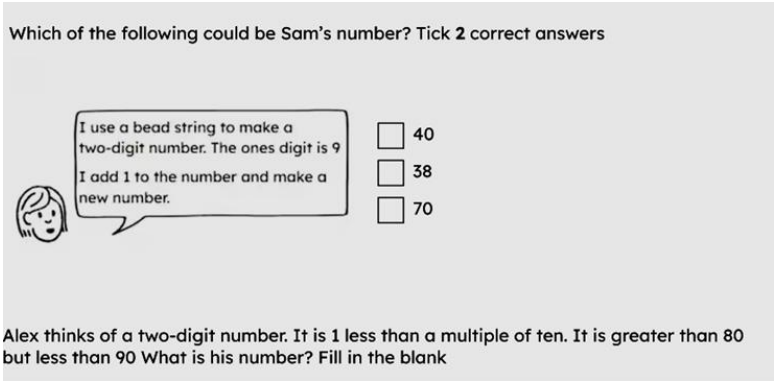
Year 2

Weekly Learning Letter

Have a go at these maths problems:

TRUE or FALSE?





Forthcoming events

Wednesday 16th December 2026 – Year 2 Nativity-
Morning performance- 09:30- 10:15
Afternoon performance- 14:00-14:45

School website:

Please do visit our website; you can find details of forthcoming events on the calendar (& you can subscribe to your child/ren's year group so it will auto update your calendar), as well as photos of learning activities including educational visits in the photo gallery, read all about recent events and sporting achievements in the school news section and much, much more!

Happy learning!

Rebecca, Will, Hannah and Naomi
