

## Year Two Home Learning Autumn 1, Week 2 16.09.16

This week we have  
been learning...

- to move to music like an animal
- to accurately throw and catch a ball over greater and greater distances
- what an atlas is for and the many ways it can help us with our learning
- what a NOUN is and how to use an ADJECTIVE
- how to order numbers on a number square

All classes enjoyed a fantastic day out at the Horniman Museum for our Africa topic and we will be writing recounts of our trip.

For home learning you can... (see overleaf)

- practice spelling the words for the numbers up to one hundred!  
Can you write your door number in words?
- Collect some nouns and write them in the table.  
Is it a person, a place or a thing?
