

# Yr3 Learning Letter - Friday 9<sup>th</sup> September 2016

Yr3 have had a thoroughly immersive three days in which they have begun to learn about chronology.

- They created a timeline of their own memories from birth to the present day.
- They stomped around the playground taking 'time steps' to help them begin to imagine just how long ago the end of the Stone Age was.
- To promote the qualities of the Kilmorie Child, the children worked in small teams to problem solve creating 'cave paintings.' They mixed up and experimented with pigments from crushed chalk, leaves and berries.

The children were excellent at collaborating with each other, listening to the ideas of others and being respectful. They also showed lots and lots of curiosity about their new learning. Well done Year 3! The children have also been busy recapping number learning from Yr2 with lots of counting in 2s, 5s, 10s and 100s. Please practice this at home as practice makes perfect! We have recapped some Yr2 spellings and these are also attached for sticking on your fridge. The children have also written their first recount of the year! Book bags with a new reading book & a Reading Journal (Purple) have been issued today. In addition, all Yr3 children have been issued with a very special Yr3 Kilmorie draw string bag which can be used for their PE kit.

Phew, what a busy few days!
