

Year 6 Autumn 2 2016 Newsletter

It's Nearly Christmas!

Wow – that half term flew by and can you believe it's nearly Christmas already? As always, we have a fun-filled and action packed half term ahead.

TOPIC - EXTREME EARTH

Our topics for this half term are:

- English: Floodland by Marcus Sedgwick
Science: Evolution and Inheritance
RE: Hinduism
Indoor PE: Fitness
Outdoor PE: Volleyball
Art: Landscapes
Geography: Extreme Earth
PSHE: Forest School continues
Anti-bullying
Computing: Programming

Forest School is continuing!

Please help your child to remember their outdoor shoes and to bring a waterproof jacket when it is their turn.

The Year 6 Christmas Performance will be held on 16th December at 10am. We would love to see as many of you as possible there.

PE days are remaining the same:

Outdoor PE:

Monday - Both classes

Indoor PE:

Friday - Both classes

Kit required:

PE: Shorts (indoor PE) or jogging bottoms (outdoor PE), T-shirt, trainers or plimsolls.

Please send in a kit appropriate to our changeable weather!

As the children are not allowed to wear jewellery during PE, we would ask that they do not wear jewellery to school on those days. Please ensure all long hair is tied back for health and safety reasons. **We will assume that the children are able to join in PE activities unless we have a letter to the contrary.**

PE is a very important area of the curriculum; therefore it is really important that your child is ready for their lessons.

READING

Many children in Year 6 read for pleasure, which is fantastic and encouraged by us at school. Please talk to your child about their reading journal and encourage them to fill it in. The reading journal can be completed by the child, parent and teacher.

Parents' Evening

We look forward to seeing you all at parents' evening this week.
