KEEPING KILMORIE CHILDREN SAFE

Another school in the Bell Green area has reported that a man approached some older children after school. The matter has been reported to the police but just a reminder to discuss with your children about talking to people they do not know.

Dear Kilmorie Families,

Well done to Marcus' and Kassi's classes for their exciting assemblies. Marcus' class based their assembly on a Traditional Tales Boot Camp! The children demonstrated their understanding of story structures and their ability to perform confidently in front of an audience. They also showed examples of their wonderful art work. Kassi's class took us on a journey around the world and started the assembly with an inspirational ballet. Their singing was a highlight and showed that lots of practice pays off!

World Book Day is fast approaching and we will, as always, celebrate this day at Kilmorie. Please look for the information box on the newsletter about it and follow the link for ideas. As part of our celebrations there will be a story box competition (further information to follow after half term). Story boxes are a great resource to support children's exploration of stories. They are generally a miniature setting in a shoe box- with a background and objects within it relating to either a specific book, or to a common story scenario. Half term might be a good time to get started, particularly if we have rainy or snowy days.

I hope you have all received a parent meeting letter from your child's class teacher. Parent meetings are in the week commencing 27th February. If you haven't had a letter, please see your child's teacher or speak to the office.

Have a great half term.

Best wishes,

Liz

AFTER SCHOOL AND MUSIC CLUBS All clubs will restart on Monday 20th February. The last day for enrichment and music clubs in the next half term will be Friday 24th March 2017.

DINNER MONEY FOR NEXT HALF TERM The cost of meals for next half term (20/2/17-31/3/17) will be £60.00, or £50.00 if your child is going on the school journey. Please settle all dinner money accounts via ParentPay.

PARENT GOVERNOR ELECTION There will be a parent governor election after half term. Letters will be sent home shortly after our return. If you would like any further information about the role of a governor, please ask at the office.

LOLLIPOP LADY You may have noticed that Anya has not been on duty in Cranston Road. She is not very well at the moment but hopes to be back fully fit after half term. Please be extra careful when crossing the road and stay safe.

PARENTS' MEETINGS R-Y6 Letters have been distributed for week commencing 27th February. The late night will be on Wednesday 29th February. Please return your slip to book an appointment promptly.

WORLD BOOK DAY – THURSDAY 2ND MARCH We will, as always, celebrate this day at Kilmorie. As part of our celebrations there will be a story box competition (further information to follow after half term). Story boxes are a great resource to support children’s exploration of stories. They are generally a miniature setting in a shoe box- with a background and objects within it relating to either a specific book, or to a common story scenario. Half term might be a good time to get started, particularly if we have rainy or snowy days.

The children will also have the opportunity to dress up on the day as a favourite book character and we will be making a collection for **Book Aid International**. Now is the time for the children to be thinking about making their own costumes. If you need any ideas for dressing up follow this link worldbookday.com or ask at the office for some information sheets on how to make a simple costume.

MATHS FOR PARENTS This course for parents will continue after half term. The next subject will be exploring division and much more. This free 6 week course takes place at Kilmorie on Tuesdays from 1-3pm and starts on 21st February. You will share fun games and activities and explore how division and more is taught in schools today. Parents who attend already say they really enjoy the sessions and feel more confident supporting their child’s maths learning. For more details, to join the class or to request a free creche place, please call Andrea Permentiers on 07986 350 969.

THE DAILY MILE We are looking at ways to encourage all children to run (or walk). As part of a drive to encourage children to be active we are joining other schools in the Daily Mile Challenge

This is a scheme that encourages all children to run (or walk) for about a mile a day. To begin with we intend to do this every other day in the playground. Children are allowed to walk some of it and it will be at each individual child’s own pace as to how far they can run or walk.

Children do not need to wear a PE kit but they will need to wear sensible shoes or trainers

Staff will be accompanying them and getting fit at the same time! If you would like to know more about it have a look at this link

MISSING ITEM Please could everyone (who plays hockey) check that they have not accidentally picked up a hockey stick belonging to Charlie in Year 3. It is mainly white with some turquoise and with the initials CFC. If found, please return it to the school office.
