

Year 6 Spring 2 2016 Newsletter

It's the second term of Spring already?

The half term holiday seems to have flown by and we find ourselves half way through the year already!

Although this is a short half term, we are determined to pack in as much as possible.

TOPICS:

Our foundation topics for this half term are:

Science: Electricity

RE: Islam

Indoor PE: Gymnastics

Outdoor PE: Basketball

DT/Computing: Control

Topic: South America

PHSE: Forest School

Look at our curriculum map on the website for more detailed information.

Get your dancing shoes and singing voices at the ready!

KS2 Talent Show will be on the afternoon of 31st March.

Children only though!

Internet safety

Please continue to encourage your child to be responsible online - not to give out their personal details, to be mindful of how they speak to others and to only speak to people they know.

For further advice:

www.thinkuknow.co.uk

PE days are remaining the same:

Outdoor PE: Monday - Both classes

Indoor PE: Friday - Both classes

Kit required:

PE: Shorts (indoor PE) or jogging bottoms (outdoor PE),

T-shirt, trainers or plimsolls

Please send in a kit appropriate to our changeable weather!

As the children are not allowed to wear jewellery during PE, we would ask that they do not wear jewellery to school on those days. Please ensure all long hair is tied back for health and safety reasons. We will assume that the children are able to join in PE activities unless we have a letter to the contrary.

PE is a very important area of the curriculum therefore it is really important that your child is ready for their lessons, telephone calls home will be made for those children who do not come to school with the correct equipment.

HOMWORK

Homework will continue to be given out on Thursday and returned the following Thursday. Please encourage your child to bring it in on time.

Thank you in advance for your continued commitment to this aspect of your child's learning.
