Dear Parents and Carers

Please find attached a booklet published by the NSPCC about keeping children safe when they are online. Children learn about how to keep safe on line during PSHE lessons and assemblies but it is also important that as parents and carers you are aware of their online activity and talk to them about it.

If you want further information there are telephone numbers and websites at the back of the booklet.

We will be running an internet safety evening for parents on 27<sup>th</sup> April - more details will follow after the Easter Holidays.

Kind regards

Maria Johnson  
Deputy Head
