

19<sup>th</sup> April 2017

Dear Parents/Carers,

We hope you all had a lovely Easter.

Our recent practice of asking parents for a contribution towards school funds at the start of the term has proved a popular way for parents to donate, and has made it easier for us to plan and budget for those little extras at the nursery, and we thank you for your support with this.

This term there are 12 full weeks, and we would like to ask for a voluntary contribution towards nursery funds of £6.00. We will be buying all our usual ingredients for messy play and cooking as well as other essentials to further enrich the children's learning, including fertile (we hope) duck eggs and plants to enhance our outdoor areas. We will provide you with an envelope, which you are invited to return to school. Of course if you have difficulty with this we are happy to receive contributions of any amount at any time.

There will always be a cooking tin available if you would rather make a weekly donation of about 50p.

Thank you  
The Nursery Team
