# KWIK CRICKET

CATFORD & CYPHERS CRICKET CLUB

## SYDENHAM & FOREST HILL PRIMARY SCHOOLS.....

On 19th June 2017 the annual cricket festival for years 3 & 4 was held at Catford & Cyphers Cricket Club. Seven schools took part, however, there were eight teams because we had one team called the Dream Team! One school had to drop out in the morning so the Dream Team consisted of four girls from Dalmain, Gordonbrock and Haseltine and three boys from Kilmorie, Haseltine and Horniman. During the festival they all got to know each other, worked as a team and scored many runs. Each player received a gold medal for playing in this team! All teams played 3 matches each and we saw some outstanding bowling, fielding and batting from boys and girls of such a young age. Many players were bowled out and many batters even scored a 'four' and some a 'six'!!! All of

the teams really played well together, with the captains placing their team members in strategic places and encouraging each other. The atmosphere was amazing with a lot of parents/Carers watching and cheering. A big thank you to Catford & Cyphers Cricket Club for providing such a lovely setting. Thank you to Larwood Baker, John Palmer and Mick for your help and enthusiasm, you always make us very welcome. I hope some of the children consider joining the club as it is very friendly indeed. The weather was extremely hot, unlike last year when we had to abandon mid way because of torrential rain! Well done to Dalmain who won all of their matches and received medals. Everybody received a certificate. *Well done to all players!*
