

PE and Sport at Kilmorie

'Leaders are ambitious about developing high-quality sports experiences for pupils.' Ofsted 2017

I cannot believe we are nearly at the end of the year already! But with approach of the summer holidays comes loads of sporting opportunities for children across the school.

SPORTS DAY

This year Sports Day will be on Wednesday 12th July at Elm Lane playing field. Reception to Year 2 will have their sports day in the morning, followed by a picnic. Years 3 to 6 will go in the afternoon, have their picnics and then their sports day. Adult help is always appreciated, especially walking the children to and from the field. Please speak to your class teacher if you are able to help out.

Separate letters will go out about this soon, but please remember to send your child with lots of water, and either sun cream already applied or equipped with a rain coat, depending on the weather!

FIXTURES

As always, we have had and are due to have a number of sporting opportunities for children to take part in. The girls' football league is, at the time of writing, finishing up, the results are not yet in but we do know that the girls performed well and really enjoyed taking part in the weekly competition. Monday night football will now be taken up with some fixtures for the boys in Years 3 and 4. In addition to the league there have been some football matches against local school St. George's. The Year 3/4 match was especially thrilling with a massive final score of 7-7, when Kilmorie had been 3-0 up after the first half! The Year 5/6 team are also due to play.

Last half term's mixed gender High-5 netball match was unfortunately cancelled due to a torrential downpour, so the team made up of Years 5 and 6 children will play in the tournament later this month. Year 4s also have a great opportunity to take part in a mixed cricket competition at the local Cyphers cricket ground.

Before the end of the year look out for a Year 3/4 girls' football match against Dalmain school and a chance for the Year 1/2 football players to show their skills too.

SCHOOL COUNCIL

Upper Phase inter class competitions will be taking place later this term. The upper phase school council wanted to organise a sporting event that many children were able to participate in. They decided that a competition within the classes would be a great way to do this. As they represent all of the year groups in the upper phase, the children discussed which sports they had covered in their classes this year and therefore which sports they would like to have a competition in. Each class is to nominate a team to play against the other classes in the year group on the following dates:

Year 6 – basketball on Thursday 22nd June (8 a side)

Year 5 – hockey on Tuesday 4th July (8 a side)

Year 4 – cricket on Wednesday 5th July (10 a side)

If your child is in their class team, please make sure they come to school with appropriate PE kits and plenty of water!

UP AND COMING

- Sports Day 12th July
- Year 4 cricket competition
- Postponed High-5 netball tournament
- Monday night football continues, this time for the Year 3, 4 children
- Intra-school competitions linked to the curriculum
