The standard of football at the year 1 & 2 football festival held at Elm Lane on 6th July 2017 was amazing. The pace was fast and every team had so many attempts at scoring goals. 4 schools competed against each other in a round robin tournament. The results were very close, but HASELTINE were the clear winners winning all of their matches. There were approximately 50 parents and carers watching, the atmosphere was electric with a lot of cheering and encouragement from all spectators. It was lovely to see the players all shaking hands at the end of each match. It was great to see the younger children meeting peers from neighbouring schools and meeting new challenges. The teams were so excited and so full of energy and the standard was the best I have ever seen. The players were tackling each other and playing so well as a team and showing such great sportsmanship. The goal keepers did some incredible saves and were diving everywhere trapping the ball making sure it didn't go into the goal. The weather was very warm and sunny so we had half time so players could drink plenty of water. Every player received a certificate and the winners a medal each.
