

Yr3 Learning Letter - Friday 10th November 2017

Martha & Lisa's Class

The children have really got their teeth into our DT cookery project this week! They enjoyed tasting different soups on Monday, and we discovered that despite our class's favourite vegetable being carrot, our favourite soup was by far tomato! They then found out lots more about how soup is made, and designed their own soup in groups which they will be making on Monday.

On Wednesday afternoon we took part in the school marathon to raise money for Barnardos. The children were fantastic! There was hardly a single moan, and some of them wished they could have run faster and further! Thank you so much for all of your sponsorship, it really will make a difference to this excellent charity.

BARVEMBER

Monday 6 November 2017 **With Rose Hunt**

1. Sam sells ice-creams.

Ice-cream 79 pence	Ice-cream and fudge 95 pence
-----------------------	---------------------------------

How much does the chocolate fudge cost?

Ice-cream	Fudge
79 pence	_____
Total: 145 pence	

2. Mo has 75 grapes. He gives 17 to his mum and 23 to his dad. He shares the rest between his 5 friends. How many grapes does each friend receive?

Mum	Dad	Friends
17	23	_____
Total: 75 grapes		

Mo has 75 grapes.

It's Barvember! If your child hasn't already told you about this, we are taking part in a month of maths challenges all using the bar method. Everyone has been taking part in their 'problem solving trios' and they've worked well together to solve the first of the problems. We are looking forward to the rest of the month! For more information about Barvember have a look at the information board in the foyer.

With Lisa the children have been solving some missing number and balancing equations using the times tables that they should know well from Yr2 – 2, 5 & 10 times tables. You will see some examples in the home learning section.

On Thursday, the children learnt about the parts of a plant and the jobs they do. Please ask them to explain this to you.

Home Learning:

*The Yr3 *spellings* (containing the *ly* suffix) the children have been learning in class this week are attached in the form of a word search.

*Please help your child to learn their 2,5,3 & 4 times tables!!

*Balancing equations:

$$1. 2 \times 10 \times 2 = \underline{\quad} \times 10 = 20 \times \underline{\quad} = 10 \times \underline{\quad}$$

$$2. 5 \times 6 = \underline{\quad} \times 10 = 10 \times \underline{\quad} = 6 \times \underline{\quad} = 1 \times \underline{\quad}$$

$$3. 10 \times 8 = 20 \times \underline{\quad} = 40 \times \underline{\quad} = 8 \times \underline{\quad} = 1 \times \underline{\quad}$$

$$4. 2 \times 200 = 100 \times \underline{\quad} = 10 \times 4 \times \underline{\quad} = 40 \times \underline{\quad}$$

Now write a sentence for each spelling in your best handwriting!
