

Athletics

On Thursday 28th September 2017 five primary schools took part in the Sydenham and Forest Hill annual sports hall athletics event. 16 pupils, 8 girls and 8 boys from years 5 & 6 competed against each other in throwing, jumping and running events. Pupils competed in two field events and two track events. The festival was held at Sydenham School in the sports hall. The atmosphere was so exciting, especially in the track events. Everyone was cheering and shouting for their team to do well. So many of the races were very close and it was fantastic to see so many pupils with such a natural talent. There were approximately 50 spectators all enjoying the excitement. Several of the pupils should consider attending the 'S Factor' athletics club on a Saturday morning at the Ladywell Arena.

Well done to all competitors and a special thank you to the 20 sports leaders from Sydenham for officiating the festival so well.
