

Year 6 Summer 2018 Newsletter

We hope you are all well rested after the Easter holiday (and not too full of chocolate). The first part of the Summer Term will consist of a lot of revising topics already covered as the SATs are not far away now.

TOPICS

Our topics for this half term are:

English:	Reading and SPaG revision followed by <i>The Adventures of Odysseus</i>
Science:	Light
RE:	Islam
Indoor PE:	Circuit training
Outdoor PE:	Athletics
Topic:	Ancient Greece
PSHE:	Forest School continues and Changing Relationships
Computing:	Control

The challenge of the SATs tests approaches!

The tests take place in the week beginning **14th May**. Don't forget to attend the information evening later this week.

Don't forget to keep checking our school website, **kilmorieschool.co.uk**. All of the most up-to-date information for parents is on there, with the added bonus of lots of photos of what we get up to at school! Go to the **Year Groups** menu and click **Year 6** to see them.

Tests can be a very difficult time for children

Throughout the school year we have helped the children to relax and be aware of their own feelings of stress. We have done this by teaching them mindfulness techniques.

As the SATs tests get closer we would like to urge you to consider the stress your child might be feeling and ensure they are taking time to relax. This could be through the practice of mindfulness, or could be a simple trip to the park. Do speak to your child about how they are feeling and what they want to do to help them relax.

Should you be particularly concerned, please speak to us as we do not want the children to be unduly anxious. If there is anything we can do to help, we will.

Please also remind your child regularly that they can only do the best that they can do – nothing more!
