

PE and Sport at Kilmorie

'Leaders are ambitious about developing high-quality sports experiences for pupils.' Ofsted 2017

"I've missed more than 9,000 shots in my career. I've lost almost 300 games. 26 times, I've been trusted to take the game winning shot and missed. I've failed over and over and over again in my life. And that is why I succeed."

Michael Jordan

A BIG THANK YOU TO THE PREMIER LEAGUE

Most of the work we were doing with the Premier League has now finished, so I wanted to say a really big thank you to them. They have worked with many children throughout the school, but especially in Years 4 and 5 and all the children have gained much from the sessions. The collaboration was made possible thanks to funding from The Premier League to Millwall FC.

In addition to the work done with the children, the teachers have also benefitted from the collaboration with a staff meeting led by one of the Premier League team. You might even have been lucky enough to see us all in the playground in our shorts and trackies!

NETBALL

As part of the development of the lunchtime provision we have been lucky enough to gain some funding from TeamUp (a charity that focusses on improving sports participation, specifically in hockey, netball and cricket) for six hours of high-5 netball training. Although the adverse weather conditions got in the way, we did successfully manage to complete the netball sessions for years 3-6.

Following this training, I have since been able to secure more lunchtime sessions with a local netball club *Sabina*. Cass will continue what Phil began on a Wednesday lunchtime, but this is for both boys and girls. *Sabina* will be scouting for any girls who show particular potential in the game and will be inviting them to train with their club.

UP AND COMING

- Annual inter and intra-school chest push competition
- It is now the turn of the Year 3/4 team in the Monday night football league, this time it is a knockout competition and we have already made it through to the second round!
- Sports day will be held on Monday 9th July
- I have applied for this year's Games Mark, I will let you know the result when I find out in September or October time
- There are plans for a repeat of last year's intra year sporting competitions, further information will follow

COMPETITIONS

As always, we love a bit of competition at Kilmorie and now is no different. Jane has been busy taking children around Lewisham for various competitions and the children have loved it!

The Monday night football sessions have continued and now is the turn of the Year 3/4 boys team. This term instead of a league it is a knock out competition. At the time of writing we won our first round and are through to the second round. Let's hope Kilmorie and England can make it to the finals. Jane has also taken a team of Year 5/6 to play against Marian Vain School from Beckenham. It was an incredible game where Kilmorie came from 3-0 down at half time to be equal on 5-5, but in the last few minutes Marian Vain School scored two lucky goals resulting in a 7-5 final score.

Following one cancelled match a group of year 5 cricketers played a tournament with a number of schools from around the whole of Lewisham borough, they made a sterling effort and came forth overall. We were very proud of their efforts and think there are some children with a real aptitude for the sport.

We also had a great hockey competition last half term. We did not lose one game in the whole contest and came out as the victors. There is another hockey tournament next week so let's hope we can replicate that victory.

As well as the up-coming hockey, there is also a high-5 netball competition next week. As always we wish them all well and keep our fingers crossed for them to bring back a trophy for the cabinet!

PERRY VALE ASSEMBLY FUND UPDATE

The Perry Vale Assembly Fund project is coming to an end. The girls have had a great run working on their football skills thanks to the training paid for by the Perry Vale Assembly Vale fund. As part of the project there will be a competition involving Kilmorie, Perrymount and Dalmain, which will be held on Tuesday 19th June at St. Dunstan's field.

The organisers are also providing an opportunity for the year 1s and 2s too, where they are invited to attend the festival with their parents. There will be a variety of sporting activities and medals for all. There are only 16 places available so if you are interesting in taking your child, please fill out the relevant information which was sent to you or speak to me directly.
