Visits

We are aware that at this time of year children are often invited to their new secondary school as part of the transition process. If this is the case, please remember to let the class teacher know and inform the office.

School Journey

School Journey week is 25th June. Don't forget to attend the information evening on Thursday 7th June. If you are unable to attend the PowerPoint will be posted on the school website.

The children not attending school journey will have a fun-filled week. Details of the day trips to follow.

Really big well done to all the children who put so much effort into the half term holiday project. There were some truly inspirational ideas and we look forward to hearing all of them presented to the class.
