

Year Two Home Learning Autumn 1, Week 6 12.10.18

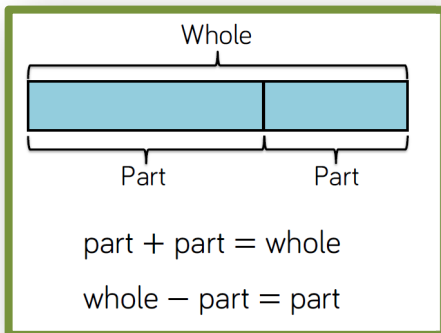

Please bring to school any strong, small boxes that we could use for our project after half term.
Thank you

This week we have been

- learning new skills in tennis

- learning how to use the BAR MODEL to help us understand addition and subtraction

This is how the BAR MODEL helps us with subtraction.

Jane has 8 apples to begin with. She then eats three apples. How many apples does she have left?

Calculations

$$8 - 3 = 5$$

- thoroughly enjoying the beauty of listening to London Philharmonic Orchestra's **Highway Rat** concert

For home learning you can...

- practise the words overleaf, these will be our spelling focus for next week
- change the attached sentences from present tense to past tense

Challenge

Change these sentences into the past tense:

I **eat** jam with my toast.

I **keep** warm by wearing my hat and gloves.

I **am** walking to school.

We **go** swimming on Saturday.

You **are** the winner of the race.

The sound /j/ spelt with '-dge' and '-ge' at the end of words

badge			
edge			
bridge			
dodge			
fudge			
age			
huge			
change			
charge			
village
