

# Reception News

17.5.19

We have had a lovely week creating stories and making our own books to write them in. We have made pictures in the style of Giuseppe Arcimboldo and kept our butterfly diaries. We have also made special necklaces that explain the life cycle of a butterfly and talked about that cycle for all living things.

**NEXT WEEK:** we will be looking at our use of technology, what the children use at home and in life outside school, as well as the choices they make when selecting the technology they use. Look out for an email with a link to simple questionnaire that we would like you to fill out **with** your child.

## Phonics

### Ashleigh

This week we have been reading CVCC words (eg **tent**, **pond**) and revising the tricky words **some** and **come** and learning the new word, **have**. We also went over how to write and when to use capital letters.

### Philippa

This week we have been looking at three-part stories using the words **first**, **next** and **last**. We also went over how to write and when to use capital letters.

### Marcus

This week we have been reading words that you use in the present and past tense (running/ran, walk/walked), putting them in sentences and acting them out.

### Penny

This week the children have been settling in with Penny and using word fans to find tricky words.

## Notices

- We look forward to seeing you at the Early Phase Garden Party – get your costumes ready
- To support our **technology** learning and assessment, we are collecting old/broken gadgets/tech that the children can use/disassemble eg electric whisk/kitchen gadgets, old computers, power tools, small fridge, kettles... please send in anything you'd like to get rid of.

**Have a great weekend, Heroes!**
