

Reception News

7.6.19

This week we all enjoyed a great trip to Mudchute Farm, where we counted up lots of different farm animals, took some photos of the London Skyline and listened to some amazing conversations about our journey and everything we saw on the way. Thanks so much if you were able to support us – without volunteers we it would be challenging to extend the children’s learning in this way.

If you haven’t had a chance to do this, we would gratefully appreciate your feedback about your child’s technology use. Please follow the link below to answer a few questions!

Please copy and paste/click on this link to complete a short **questionnaire** about your child’s use of technology.

Phonics

This week, due to the farm trips, we have all revisited our phonics skills in our own classes.
