

Dear Parents and Carers

We would love to invite you to help us out with revamping our outside area that the children love to use and get so much conversation, learning and exercise from it.

On Saturday 22 June from 9.30-11.30am, we will be painting, moving, digging and fixing, and would love your skills to help complete these jobs.

We would love any donations of leftover masonry/external paint in bright colours, please let your class teacher know what you can offer.

On the day, depending on whether you have a specific skill or just enthusiasm to offer, we will ask you to help with a particular job and bring along the associated tools.

Look out for a sign-up sheet appearing soon in the outside area of Reception.

Below are a few of the main tasks we would like to complete.

Jobs	
Paint outside Tigers	Fix hooks near stage
Clean wall by boards	Fix water butt guttering
Revamp music area	Build a wooden 'bed'
Paint entrance fence	Replace beading around grass
Stain seating area	General tidying

We would love to see you there to help us bring a fresh new look to the outside area.

We will provide refreshments during the morning.

Many thanks.

The Reception Team
