### Visits

We are aware that at this time of year children are often invited to their new secondary school as part of the transition process. If this is the case, please remember to let the class teacher know and inform the office.

### Chessington World of Adventures

To celebrate the children's hard work this year we have organised a trip to Chessington World of Adventures on Wednesday, 19<sup>th</sup> June.

The cost of the trip will be £18 per person (£9 pupil premium), including for parents and carers volunteering to come. We have four parent places per class which will be offered on a first-come-first-served basis.

Please settle all payments on ParentPay by **Monday 10<sup>th</sup> June**.

Really big well done to all the children who put so much effort into their SATs and who are continuing to do so with their writing, which will be assessed at the end of June.
