

Year One Home Learning

Week 4.10.19

This week we have been...

- * learning how to break numbers up in different ways using 'part, part, whole'.
- * experimenting with mark making and creating our own line drawings of a leaf.
- * re-enacting the story of 'Where the Wild Things Are'.
- * giving advice to Max to comfort and reassure him.

For home learning, you can...

- * find 5 or 8 fallen leaves/ conkers and put them all into one of two baskets/ bowls. Find ways to share the objects between the two (eg 4 and 1, 1 and 4, etc.)
- * Retell the story of *Where the Wild Things Are* to your family using home-made puppets.

Books in Book Bags/bags Please

Please bring in your child's books in their book bag every day. This will ensure the children can be read to any day of the week as well as take their wonderful creations at the end of each day/ any letters or communication that may need to be sent home.

Phonics

This week we have new phonics groups:

In Sophie's group we have been reading and writing CVCC and CCVC words and revising tricky words like, said, do, have and so.

In Sarah's group this week we have started to learn phase 5 sounds, /ay/ (play), /ou (cloud), ie (pie) and (ea) sea. We have also learnt to read and write new tricky words, oh, their and people.

In Stephanie's group we have been reviewing phase 3 sounds including j, v, w and x. We have also practised the tricky words: no, go, I, the, to.

Have a fabulous and restful weekend!
