

Year Three Home Learning

Autumn 1, Week 7 18.10.19

This week we have been...

*Well done everybody for a fantastic start to Year 3.
We finally answered the question our topic
question - 'what's beneath our feet?'*

*An extra special well done to Martha & Fiona's class
for their amazing assembly!*

*Thanks to all parents who've helped with trips and for all your
continuing support at home.*

*Next half term we will be looking at the history, present and future of
the people, geography and environment of our local area by asking
questions like:*

- **Why does your family live in or around Forest Hill?**
- **How did they get here?**
- **Has Forest Hill always been the same?**
- **Will we always be here?**
- **Where's the 'forest' in Forest Hill?**

*Over the half term try to find out where your family originates from
(perhaps it was a different country or continent) and how/why they
ended up in or around Forest Hill.*

Have a fantastic half term and remember to get plenty of rest!

Fiona, Martha, Alan & Sarah
