

Nursery News

The children have had a brilliant first few weeks at nursery. Although some children are upset when they separate from their parent we would like to reassure you that they are building up their resilience and play happily after a short period of comfort from staff.

Now children are becoming settled, can we ask parents to drop their nursery child off first at **8:45am** and then take their older children around to their classes for 8:55am. We would like to be able to **close the nursery gate at 9:05am** so that the staff and children can begin their nursery day.

Afternoon nursery gate will be open from **12.30pm for 10 minutes**.

On Fridays, parents and carers are welcome to return to nursery after dropping their older child off for our reading drop in sessions. You can also use this time as an opportunity to write a **WOW** with your child to go on our display.

REMINDER

Shape, Space and Number 'Stay and Play'
Friday 11th October 8.45-9.30am and
12.30-1.15pm

Come and spend some time with your child having fun with
shape and space!

Build an enclosure out of bricks for the animals, print with
sponge shapes, share a puzzle or fill and empty containers in
the water tray.

Sing 5 little monkeys swinging in the tree, make
appointments in the hairdressers or print with number &
shape
