

## Year One Home Learning Week 3 - 24.1.20

This week we have been ...

- \* Having a great time in the space dome!
- \* Designing a new friend for Beegu and interviewing Beegu in role.
- \* Practicing using ten frames to work out number bonds to 20.
- \* Exploring the earth from space, identifying the 7 continents and 5 oceans.
- \* Testing materials for a space belt we are designing in DT.

For home learning, you can...

- \* Sing the song about the 7 continents and 5 oceans to your family.
- \* Make another alien friend for Beegu and describe its likes, dislikes and give it a name!

**Ladybirds remember your class assembly is on 12<sup>th</sup> February at 9.20am!**

### Phonics

In Stephanie's group we have been learning split digraphs 'o\_e' as in 'cone', 'u\_e' as in 'cube'. We have also been practicing tricky words 'there', 'so' and 'do' and putting these words into sentences.

In Sarah's group this week we have been revising the different graphemes used for the /ai/ and /ee/ sounds and learning the different ways the /igh/ sound can appear in words e.g. **tried**, **pie**, **flight**, **eye**, **time** and **kind**.

In Sophie's group we have been learning alternative sounds 'u' as in music, 'y' as in sky, funny, pyramid, and 'ie' as in fried and chief.

In Rez' group we have been learning the tricky words 'when' 'one' and 'out' as well as learning the cluster sounds 'lk' as in 'milk' and 'bulk' and 'lp' as in 'help' and 'gulp'.

In Leela's group we have been revising our Phase 3 and Phase 4 tricky. We have also been learning the Phase 5 tricky words. We have been practicing the cluster sounds, such as 'sl' (sleep) and 'cl' (cloud).

**Have a fantastic and fun weekend!**
