

Year 6 Spring 2020 Newsletter

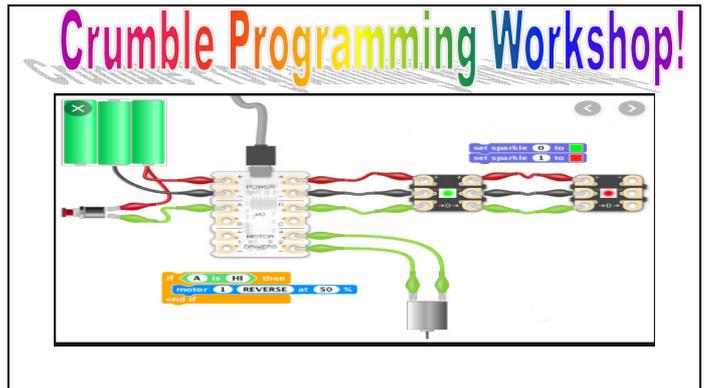

Welcome back!

Thank you all for your generous Christmas cards and gifts. We hope you had a fantastic break! We have some very exciting learning in the term ahead. Please read the information below and do also remember that more detailed information about what we are learning this term can be found on the school website under curriculum planners.

TOPICS

Our topics for this half term are:

- English:** The Landlady / Ancient Greek myths – The Adventures of Odysseus
- Science:** Living Things and Their Habitats
- RE:** Religious rules and shared responsibilities
- Indoor PE:** Dance and Gymnastics
- Outdoor PE:** Tag Rugby
- Art:** Landscapes
- Topic:** Ancient Greece
- PSHE:** Rules, responsibilities and keeping safe online
- Computing:** Crumble computing kits to programme a workable traffic light system

Forest School has already started!

Please help your child to remember their outdoor boots and warm, waterproof clothes when it is their turn.

PE days are remaining the same:

Indoor PE: **Conor's and Shona's classes - Thursday**
Shipra's class - Friday (Dance CPD)

Outdoor PE: **Conor's and Shipra's classes - Monday,**
Shona's class - Tuesday

Kit required:

PE: Shorts (indoor PE) or jogging bottoms (outdoor PE), T-shirt, trainers or plimsolls

Please send in a kit appropriate to our changeable weather!

As the children are not allowed to wear jewellery during PE, we would ask that they do not wear jewellery to school on those days. Please ensure all long hair is tied back for health and safety reasons. **We will assume that the children are able to join in PE activities unless we have a letter to the contrary.**

HOMWORK

Homework will continue to be given out on Thursday and is **due back the following Tuesday**. Completing homework and handing it in on time is part of the preparation of getting ready for secondary school – get into the habit now! Remember, doing your own research including using the internet will help with homework and we encourage children to do this. It is an important part of being an independent learner.

Thank you in advance for your continued commitment to this aspect of your child's learning.
