

Reminder – Year 2 trip to Greenwich Maritime Museum and Cutty Sark on Thursday 13<sup>th</sup> February.

Year Two Home Learning  
Spring 1, Week 5 07.02.2020

## This week we have been .....

- looking at the features of informal letters  
An informal letter is a letter from a friend or relative – we received a letter from Albert (Tom Crean's brother)
- planning our reply in character to the letter from Albert

Write a letter or postcard to a friend, a relative,  
a favourite author or anyone else you think is interesting.  
Greet them, tell them some of your news, ask them some  
questions, include a return address and a farewell (this is called a valediction)  
*Find their address and actually post it to them!*

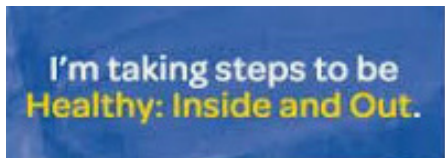

- understanding the links between multiplication and addition  
 $2 + 2 + 2 + 2 = 8$   $2 \times 4 = 8$  What does 2 mean in this calculation? What does 4 mean?

$\square \times \square =$   
 $\square$  lots of 3 =  $\square$   
 $\square$  multiplied by  $\square = 12$

Write the repeated addition and multiplication calculations for this picture.

- discussing how to keep our bodies and minds healthy, which was the theme for Children's Mental Health Week. We discussed and shared things that make us feel happy.

Adding -ing, -ed,  
-er, -est and -y  
to words of one  
syllable ending in  
a single consonant  
after a single  
vowel

patting

patted

humming

hummed

dropping

dropped

sadder

saddest

runner

runny

Write extended sentences using this week's words.
