

## Year One Home Learning Week 2 – 06.03.20

### This week we have been:

- \* Having fun celebrating all things booky on World Book Day in our pyjamas!
- \* Drawing and describing our favourite story heroes.
- \* Re-reading 'Traction Man' and writing a character description for Traction Man.
- \* Designing our own teddy bear to make in DT.
- \* Practising our sewing technique.
- \* Counting forwards and backwards in 2s, 5s and 10s.
- \* Learning to play social dodgeball in outdoor PE!

### For home learning...

Next week is British Science Week and the theme is 'Our Diverse Planet'. We will be going on a 'Nature Walk' around the school grounds looking for signs of Spring as well as carrying out science activities and experiments throughout the week.

Get involved by exploring the outdoors, whether it's your street, garden or local park. You could set a challenge, e.g. How many different flowers can you find?

- \* Show your adults how you can count in 2s, 5s and 10s.
- \* Please bring in twigs and sticks no bigger than 15cm for the Early Years Garden Party.
- \* Don't forget to spend your World Book Day book voucher!

### Phonics

In Stephanie's phonics group we have been learning the alternative spellings of 'ee' (deep, stream, chief, happy, donkey, people). We are also learning alternative spellings for the /ch/ phoneme (rich, much, future, adventure, cach, stich). We have been reading and writing the tricky words: said, so, have, like.

In Sophie's phonics group we have been learning alternative spellings for 'igh', (high, bike, sky, kind) and for 'f', (fox, dolphin, cough) spelling the tricky words: some, come, who and were.

In Sarah's phonics group we have been learning about all of the different ways the /ow/ sound can appear in words e.g. sound, plough and flower. We have been learning rules to follow so we can remember which grapheme to use.

In Leela's group we have been learning the split digraph i\_e (fine, time), o\_e (bone, phone), ey (money, donkey). We have also been revising our tricky words.

In Rez's phonics group this week, we have been learning the split digraph u\_e (rude, June) 'ea' (team, beach), ir (bird, skirt).

Have a fantastic and fun weekend!

## The Early Phase Garden Party – Poster Competition

### **All entries must:**

- be on A4 paper – it doesn't matter which way the paper lies; landscape or portrait are both fine
- be based on our theme which is, Julia Donaldson
- have pictures only please, no writing or glitter
- have some white space for us to add the event details
- have your child's full name, year group, and class written on the back
- be put in the box by the school office. Please try to avoid folding the artwork if you can. The box is big enough for the designs to lie flat.

Good luck!
