

Dear children and families,
We are thinking of you all
and hope that you are
keeping well and manage to
rest and have fun as well.

Remember Michael
Rosen's poem: Oh Dear!
always made us smile!
https://www.youtube.com/watch?v=IC_PcatGtrc&list=RDCMUC2Begme37cpqPTlv6dqMA6Q&start_radio=1&t=0

How many animals do you see?

This week we would have been ...

- focusing on improving our mental Maths skills
What helps us to learn and remember number bonds, times tables, halves and doubles? Practice, practice, practice...

Do you know your 5 times tables?

$$\begin{array}{ll} 5 \times 0 = 0 & 0 \times 5 = 0 \\ 5 \times 1 = 5 & 1 \times 5 = 5 \\ 5 \times 2 = 10 & 2 \times 5 = 10 \end{array}$$

Interactive 5 times tables – [snappymaths.com](http://www.snappymaths.com)

<http://www.snappymaths.com/multdiv/5xtable/interactive/newlook/5xmissintd.htm>

- **checking and self-assessing our short story writing for coherence**
Is the story line clear? Is it an exciting story?

Write a short story about finding a penguin in your bath... and read it to your adults.
Watch their reactions.

Do they laugh? Do they look scared?

Spellings for this week

The stressed /er/
spelt with 'or' after
w and the sound
/or/ spelt 'ar'
after w

word		
work		
worm		
world		
worth		
worst		
war		
warm		
towards		
ward		

Write extended sentences with these words. For example,

The worm wriggled slowly through the earth until he found a warm spot to rest in.
