KEEPING KILMORIE CHILDREN SAFE -

All parents/carers and visitors arriving at school after drop off or before pick up must report to reception. Should you have reason to be on site after the bell has gone at 8.55 then it is imperative that you sign in on the entry system. Under no circumstances should adults wander around school without being registered at the office. This is for the safety of our children and to avoid interruption of lessons.

Dear Kilmorie Families

Over the last 2 weeks there have been two fantastic assemblies. Alan's class assembly loosely based on the Stone Age was, as expected, witty, innovative and fun. Heidi's class assembly based on Antarctica showcased their beautiful singing voices and performance skills. Congratulations to both classes!

Thank you for supporting World Book Day last week. We have almost finished judging the story boxes- there are so many fantastic entries! We will be putting them on display next week.

Please make sure you read all the guidance about Coronavirus. We will continue to follow the Government advice and will keep you informed. If you have any concerns or questions then please let us know.

Best Wishes

Liz

CORONAVIRUS (COVID-19) UPDATE Following updated Government guidance the advice is if pupils or staff members develop symptoms, as listed below, they must **stay at home for seven days**.

This will help protect others in your community while you are infectious.

The link to the government advice is

<https://www.gov.uk/government/publications/covid-19-stay-at-home-guidance/stay-at-home-guidance-for-people-with-confirmed-or-possible-coronavirus-covid-19-infection>

The most common symptoms of coronavirus (COVID-19) are **recent** onset of:

- New continuous cough, and/or high temperature
- A high temperature above 37.8 degrees centigrade
- Shortness of breath

For most people, Coronavirus (COVID-19) will be a mild infection. If anyone became ill during the school day they will also be sent home and asked to remain at home to self-isolate for 7 days.

You do not need to call NHS 111 to go into self-isolation. If your symptoms worsen during self-isolation

Public Health England advise that if you are worried about your own, your child's or colleague's symptoms or the symptoms worsen or are no better after 7 days of self-isolation, contact **NHS 111 online** to seek further medical advice. If you have no internet access, call NHS 111. For a medical emergency dial 999. Do not go in person directly to your GP surgery or other healthcare environment.

At the moment we are cancelling trips where it is necessary to use public transport however we will keep you informed on this.

We will continue to prioritise handwashing and hygiene routines for all members of our school communities.
