

18th March 2020

Dear Nursery Parents and Carers,

Nursery Closure

As you will know from my previous letter today we are experiencing high levels of staff absence. After careful consideration, I have decided that we will need to close the nursery from tomorrow, Thursday 19th March, until further notice. I am so sorry for the disruption that this will cause to your children and families but in these unprecedented times there appears no option at the moment.

If you work in the NHS; care services for the elderly and vulnerable; the emergency and other essential local authority services, and will be prevented from working, please let us know so that we can consider how we can help you.

Please get in touch if you have any worries or concerns so that we can advise or sign post you to appropriate support.

We will keep you updated via the website, texts and email.

Yours faithfully,

Liz Stone
Head Teacher
