

24th March 2020

This message has been sent out to parents/carers by Email today

Dear Kilmorie Families,

We hope you are getting on okay at home. School is a very strange place without most of our Kilmorie children.

We are working on a skeleton staff and responding to all government guidance as it comes out.

If you need advice or have a concern we will be staffing the phones between 10am and 12pm each day. We may not have all the answers but will sign post you when possible. The answer phone will be on at other times and we will check messages. Alternatively we are looking at info@kilmorie.lewisham.sch.uk and responding as quickly as we can.

Resources for home learning will be updated on a weekly basis.

Warmest wishes,

Liz & Kilmorie Staff
