Statement of Intent

Kilmorie Primary School is committed to the continuous raising of achievement of all our pupils. Regular attendance is critical if our pupils are to be successful and benefit from the opportunities presented to them. The Governors, Headteacher and Staff in partnership with parents have a duty to promote full attendance at Kilmorie Primary School.

Our school aims to meet its obligations with regards to school attendance by:

- Promoting good attendance and reducing absence, including persistent absence
- Ensuring every pupil has access to full-time education to which they are entitled
- Acting early to address patterns of absence

We will also support parents to perform their legal duty to ensure those children of compulsory school age attend regularly, and will promote and support punctuality in attending lessons.

Parental Responsibility

Parents have a legal duty to ensure that their children attend school regularly and arrive on time. Regular attendance is essential to the all-round development of the child and they should be allowed to take full advantage of educational opportunities available to them.

It is the parents' responsibility to contact the school on the first day their child is absent, preferably by 8.30 am. Parents can contact the office at attendance@kilmorie.lewisham.sch.uk or leave a voicemail on option 1.

This is a safeguarding issue so that all parties know that the child is safe. Parents must ensure that contact details are up to date and that a minimum of 2 emergency contacts are provided.

If a child is absent and the parent has not contacted the school then, as part of our safeguarding policy:

- The school office will send a text reminding them to make contact
- If there is no response to the text, the office will try to contact the parent or carer and other emergency contacts. The purpose of this is to check on the safety of the child
- If it has not been possible to contact either the parent/carers or emergency contacts the school will give due consideration to making a home visit based on their knowledge of the child. If no contact has been made then a home visit may be carried out later on the same day or within 3 days at the latest by the safeguarding team. (See the section 'Children Missing in Education').

This process has been summarised for parents and can be found in appendix 1

Pupils in Reception have a staggered start, Lions are expected to arrive at 8.50am, Tigers at 8.55 am and Bears at 9.00am. Years 1, 2 and 3 are expected to be at school when the bell goes at 8.55am. Year 4, 5 and 6 are expected to be in school when the bell goes at 8.50am. Nursery arrive at 8.45am.

Parents or carers are asked to contact the school if they are experiencing difficulties getting their child to school.

The Role of the School Staff

The headteacher has overall responsibility for attendance and has to report termly percentages to the local authority. The DSL/Pastoral Care and Family Support Manager monitor attendance with the office.

Class teachers complete a register at the beginning of each morning and afternoon session. Marking the attendance registers twice daily is a legal requirement. Teachers mark pupils present or mark as an 'N' if a child is absent. The office attendance admin team will mark in late or absent children in the morning and telephone or text the parents of any absent children if they have not already made contact. It is the responsibility of office attendance admin staff to ensure:

- Attendance and lateness records are up to date
- If no reason for absence has been provided, parents are sent a text message on the first day of absence within 2 hours of the register having been taken. A follow up phone call is made between 11am and 11.30am. If no reason is provided, then the absence will be marked as 'unauthorised' for the 2 weeks following
- Where there has been no reason given, letters are sent to parents requesting reasons for absence
- When a reason has been provided the office staff will ensure that the appropriate attendance code is entered into the register (National Attendance Codes – see appendix 2)

Only the office staff, the Deputy Head and the Pastoral Care and Family Support Manager can change attendance codes (e.g. changing N to O), that member of staff will date, initial and give a brief reason for the change.

Illness and Medical Appointments

When a child is unwell, parents are expected to contact the school before 8.30 am on the first day of absence informing the school of the reason for absence.

- a) Every effort should be made to arrange medical appointments outside school hours
- b) An appointment card or verification by the doctors/dentist/hospital is required for medical appointments
- c) If it is necessary for a child to be out of school for this reason, the child should be returned to school directly after the appointment
- d) If a child is absent due to vomiting and/or diarrhoea then they should not return to school for **the next 48 hours** after the last incident of vomiting and/or diarrhoea. This is to reduce the risk of infection to other children and adults at the school.
- e) **For more than three days of absence** or where there is repeated absence due to illness, the school will request medical evidence (this can take the form of an appointment card or a copy of a prescription)
- f) Where there are concerns about a child's attendance (particularly when it drops below 90%) the school will request medical evidence for any absence

Moving School

If a family are moving out of the area they should:

- Notify us in writing at least 2 weeks in advance, including contact details for where they are moving to and if possible the details of the school their child will be attending
- Notify us in writing when the child has started their new school

The school will request an email from the new school to confirm when the child started regardless of the country the new school is in. If we do not hear from the family about their child's new school, we will contact the local authority where they have moved to find out whether the child is in attendance. If they are on the waiting list or have started school, we will request a confirmation email and off roll the child after one week following this confirmation.

Children Missing from Education (CME)

No child may be removed from the school roll without consultation between the Headteacher and the Attendance Service.

If no reason has been given for a child's absence and no contact has been made then a home visit will be carried out later on the same day or within 3 days at the latest by the safeguarding team. (See the section 'Children Missing in Education').

If a visit takes place and there is no one home the school will seek advice from the Local Authority Multi Agency Safeguarding Hub (MASH) to discuss our concerns and we may need to contact the police welfare team.

If a child has been absent from school with no contact, or if they have moved and no new school has contacted Kilmore, a referral will be made to the CME team within 10 days.

Lateness

At Kilmore Primary School the register is taken at 9.00 am and 1.00 pm (Reception – Year 2) or 1.30 pm (Year 3 – Year 6). Pupils arriving after these times must enter school by the main entrance and report to our pastoral care manager (Nicola) or a member of the office who will help the children to record their lateness electronically with details of their name, class and reason for lateness. The pupil will be marked as late when registration has closed (Code 'L')

The register will close at 9:05 am and 1.05 pm (Reception and KS1) or 1.35 pm (KS2). Pupils arriving after the register has closed will be marked as late after registration (Code 'L'), pupils arriving after 9.30 am will be marked as 'U' (unauthorised absence).

Parents will be contacted by the school if their child is late regularly. If punctuality continues to be a concern the Pastoral Care and Family Support Manager will meet with parents to discuss any issues which are causing lateness and how things can be improved.

Please note that persistent lateness after 9.30, when children are marked as 'U', may result in the local authority issuing a fixed penalty notice warning.

Leave of Absence

From September 2013 the Department for Education amended the Pupil Registration Regulations, removing the Headteacher's ability to authorise leave of absence for the purpose of a family holiday.

The Headteacher **may** authorise absence in "exceptional circumstances" but this must be requested in advance and agreement to each request is at the discretion of the Headteacher, acting on behalf of the Governing Body (Education (Pupil Registration) (England) Regulations 2006). Each case will be judged on its merits and the headteacher's decision is final. Once the decision not to authorise leave is taken, it cannot be authorised retrospectively.

The Headteacher is not obliged to accept a parent's explanation, a letter or telephone message from a parent does not in itself authorise an absence. If absences are not authorised, parents will be notified.

A written application **must** be made to request a leave of absence, the headteacher will give due consideration to the circumstances and the child's past attendance history. The application for leave of

absence must include a return date. Children who return 10 days or more after the expected date will be reported to the local authority as a 'Child Missing in Education' and may be taken off the school roll.

Where leave has been granted this will be marked 'C' in the register, where a family requests leave, and it is not granted, this will be marked as 'G'. Unauthorised holiday of 10 sessions (5 days) or more can result in the local authority issuing a fixed penalty notice.

The following reasons are examples of absence that will not be authorised:

- Persistent non-specific illness e.g. poorly/unwell
- Absence of siblings if one child is ill
- Oversleeping
- Confusion over school dates
- Medical/dental appointments of more than half a day without very good reasons
- Child's/family birthday
- Shopping trip
- Family Holidays
- Absence of child as a result of another member of the family's illness or medical appointment

Monitoring Attendance and Lateness

Our expectation is that a child's attendance is 96% or above at the end of the school year. The school closely monitors attendance and lateness to try to minimize poor attendance and punctuality through:

- Staff speaking to parents and carers as and when concerns arise
- The Pastoral Care and Family Support Manager contacting families whose attendance is below average to try to find ways to improve
- The Pastoral care & Family Support Manager meeting with parents when attendance or punctuality does not improve

The school monitors children's attendance when it drops below 96%. A series of letters is sent when attendance does not improve, approaches or drops below 92%.

Letter 1 – advising parent or carer that attendance is low and requesting medical evidence if appropriate.

Letter 2 – raising concerns that attendance has not improved and setting the expectation that all future absences need to be accompanied by medical evidence. This may be accompanied by a telephone call from the Pastoral Support and Family Outreach Officer.

Letter 3 – a meeting with Pastoral Care and Family Support Manager to review attendance or an attendance panel meeting with the LA Attendance and Welfare Officer.

Individual circumstances of the child and the family will be taken into account when sending letters.

What your child's attendance percentage means

Child's attendance	Action
96%+	Excellent attendance
94 – 95%	Good Well done – strive to build on this
Below 95%	Causing concern Children's attendance is below average and they will be missing out on what other children are learning and doing. Parents need to work closely with the school to improve the situation. The children's attendance will be carefully monitored and families written to whenever there is a broken week. Contact will be made by Pastoral Care and Family Support Manager if attendance does not improve.
Below 90%	Possible penalty notice/legal proceedings Any child whose attendance falls below 90% is regarded nationally as a child who has persistent absence. The Government is very concerned with this and has invested heavily to monitor the

	attendance of these children. Schools have targets to reduce the levels of persistent absence and the school and local authority work closely with families to support them in getting their child to school each day. However, if a child's attendance does not improve next steps may include a penalty notice and possible legal proceedings – for more details see below.
--	-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

Persistent absence

Your child will be considered as persistently absent using the following criteria:

Term	Number of sessions missed since the start of the year (a session is half a day)
Autumn 1	7 or more
Autumn 2	14 or more
Spring 1	20 or more
Spring 2	25 or more
Summer 1	31 or more
Summer 2	38 or more

Support from the school

The school understands that from time to time situations may arise, which make it difficult for parents to ensure their child is in school. For example:

- Housing issues
- Health issues
- Children's behavioural issues
- Financial issues

Please inform the school if there are issues which are affecting your child's attendance.

Local Authority Action

When there are concerns about a child's attendance and it does not appear to be improving, the school will refer to the local authority attendance service who may consider the following:

Education Welfare Officer Actions

This may include:

- Invitation to Attendance Panel meeting
- Home visits
- multi agency meetings
- Sign posting to supportive agencies e.g. Child and Adolescent Mental Health Service, Social Services and Family Group Conference Service.
- Fast Track to Prosecution

Penalty Notices for Poor Attendance

- Penalty Notices are issued in accordance with the Attendance Service Code of Conduct.
- The Attendance Service issue a warning letter setting out 15 school days during which no unauthorised absence is to be recorded
- If unauthorised absence is recorded during the 15-day period a Penalty Notice will be issued (one per parent per child)

Penalty Notices will be issued in the following circumstances:

- Truancy
- Parentally-condoned absences
- Persistent lateness after the register has closed
- Being present in a public place without reasonable justification during the first 5 days of any fixed term or permanent exclusion.

Where Penalty Notices are imposed, the regulations state that the penalty will be £120 to be paid within 28 days, reduced to £60 if paid within 21 days. Penalty notices are issued to each parent of each child. Failure to pay the penalty in full by the end of the 28-day period may result in prosecution by the Local Authority.

Protocol for contacting parents or carers of children absent from school

For the purpose of this document the term parents also covers carers

- It is the school's expectation that parents contact the school before the start of the day if their child is going to be absent
 - When they call the school regarding illness, parents are asked to say when they expect their child to return to school (for example in cases of vomiting or diarrhoea the child will return after 48 hours). If the child is still unwell after this time the parent must contact the school again
 - It is school policy that if a child is off for more than 3 days then medical evidence must be provided in order to authorise the absence
 - If a parent does not contact school when their child is absent the school will send a text by 10.00am asking them to do so
 - If a parent does not respond to the text, then a phone call will be made to the parent between 11.00am – 11.30am
 - If it is not possible to contact the parent, then the office will phone the emergency contact numbers provided
 - If it has not been possible to contact either the parent/carer or emergency contacts the school will give due consideration to making a home visit based on their knowledge of the child. If no contact has been made then a home visit may be carried out later on the same day or within 3 days at the latest by the safeguarding team. (See the section 'Children Missing in Education').
 - If it has still not been possible to ascertain the child's whereabouts after all these avenues have been explored the school will seek advice from the Local Authority Multi Agency Safeguarding Hub (MASH) to discuss the concerns and may need to contact the police welfare team.
 - If a child has been absent from school with no contact, or if they have moved and no new school has contacted Kilmorie, a referral will be made to the CME team within 10 days.
