

# Year One Home Learning

22.11.22

The children had a wonderful time on their trip to Leeds Castle. We are so proud of how well they all behaved and would like to thank the parent helpers. We couldn't have done it without you!

## This week we have been:

- \* listening to the story of the "The Swan Princess" and sequencing the story by drawing the pictures. The children enjoyed acting out the story at Leeds Castle on Monday.
- \* labelling the parts of a castle
- \* writing a recount of the trip to Leeds Castle
- \* introducing the recording of mathematical equations using the addition and equals sign

## Phonics

We have learnt:

ee/ e-e as in these

ew as in chew and new

ee/ie as in shield

or/aw as in claw

## Tricky words

could, would, should, our, house, mouse, water, want

Remember to use: <https://www.littlewandlelettersandsounds.org.uk/resources/for-parents/>

## For home learning, you can...

- \* revise the sounds and tricky words for the week, can you spot these words when you're out and about? Maybe on a sign, in a shop or in the library.
- \* talk about your family and what makes yours unique.
- \* read your new Little Wandle book to an adult at home, and bring back on Monday.

Our Christmas performance will on Tuesday 13th December at 10.00am or 2.15pm. We look forward to performing to you all!

Have a fabulous and restful weekend! The Year One Team
