

## Year Two Home Learning Autumn 2, Week 4 25.11.22

### This week...

- We have been learning about the Great Fire of London. We found out lots of facts, including:
  - The Great Fire of London started in Pudding Lane in 1666.
  - It helped to end the Great Plague as many rat-infested buildings were burnt down.
  - A third of the City of London was destroyed by the fire.
- We visited the Museum of London to find out more about London from artefacts.
  - Explain to your adults what these objects are and how they were used in the Great Fire of London.

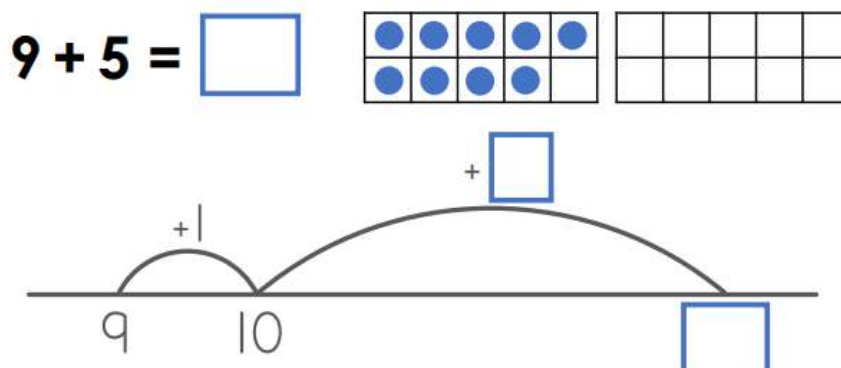

### Thank you!

We would like to say a big “**Thank you!**” to all our volunteers. We wouldn’t be able to go on these trips without your support.

- In Maths, we have been using number bonds to add by making ten.
  - How would you finish this picture?

Finish the picture

Spellings for you to practise at home.  
Try making spelling pyramids. We have done the first one for you!  
streets, flames, bakery, city, London, destroyed
