

Year Two Home Learning

Autumn 2, Week 3 18.11.22

This week....

- We have continued to learn about the Plague and find out facts to include in an information poster.
- We read 'Plague: A Cross on the Door' by Ann Turnbull which is a fictional story set during the summer of 1665. We found out so much, including:
 - A watchman would stand outside the homes of people with the plague. The people inside would lower a basket from an upstairs window to get supplies.
 - Church bells would ring for the dead.
 - Poultices were mixtures of herbs that were put on people's swellings.
- In Maths we have been consolidating number bonds to 10, 20 and 100.
- We have been adding and subtracting 1s from a 2-digit number using dienes and number lines.
- This week it has been anti-bullying week. We had an assembly on Monday that introduced this year's theme, 'Reach Out'. In class we have been talking about bullying and thinking of what we can do if we are affected by bullying.
- Well done to Kate's class for their amazing assembly. You were brilliant!

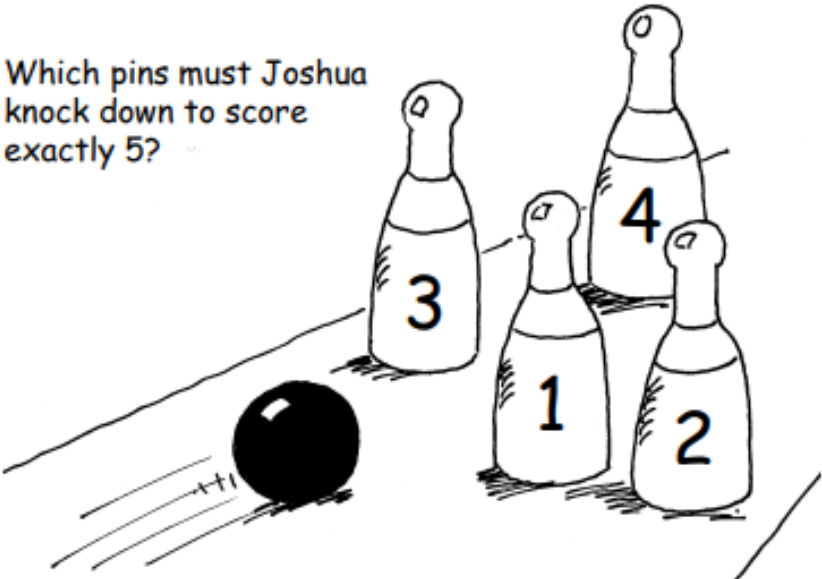

Please note:

We will be going on our educational visit to the Museum of London on the 24th November. Thank you to all the parents who have volunteered to help - we cannot do these trips without you! Once we have the final list of volunteers, we will let you know if your help will be required on the day.

A Maths challenge for you to try at home:

Four-pin bowling

Which pins must Joshua knock down to score exactly 5?

Find 2 different ways:

- a. to score 5
- b. to score 6
- c. to score 7

Spellings

The spellings for this week are all homophones (they sound the same but have different meanings):

their
there
they're

through
threw

witch
which

What other homophones do you know?
