

Year Two Home Learning Autumn 2, Week 2, 11.11.22

This week...

- In Maths we have been recapping number bonds to 10, looking at addition and subtraction bonds within 20 (fact families) and using our knowledge of number bonds to 10 to find bonds to 100.

Here is a number shown on ten frames.

Complete the fact family to match the ten frames.

____ + ____ = 18 18 - ____ = ____

____ + ____ = 18 18 - ____ = ____

Can you write any of the facts another way?

Complete the number sentences.

▶ 13 + ____ = 15 ▶ ____ + 16 = 18

▶ 20 = 11 + ____ ▶ 12 = ____ + 0

Here is a hundred square.

How many squares are shaded?

How many squares are not shaded?

Write the bond to 100

- In History we became history detectives and used historical sources to find out about the past. We looked closely at historical maps of London, thought about which features are the same or different and sorted the maps into date order.

Look at this photograph of Kilmore.
It was taken from Elsinore Road.
Talk with somebody about what you see.
How long ago do you think this photograph was taken?
What is the same as today and what is different?

Try the same thing with the photographs of Forest Hill below:

- In PE we have looked at different ways to balance in multi skills.

Show somebody how you can balance along a narrow (or imaginary) line with something on your head.

Kate's class

We have been very busy preparing for our class assembly on Friday 18th November at 9.20am. We are very excited about putting on a show for our parents.

Dates for your diary

- Kate's assembly – Friday 18th November
- Tea towels - deadline for tea towel orders is next Monday (14th). Don't miss out – [click here to order now](#)
- School trip to the Museum of London – Thursday 24th November
