

Year One Home Learning

9.12.22

This week we have been:

- * continuing to learn about the artist Matisse and making dragon collages
- * sending postcards from Kilmore school to the dragon
- * having mysterious visits from a dragon who has caused havoc in the outside area
- * learning to write in our handwriting books using cursive writing and we are using the font "air plus" - see "Letter Join" website if you want to find out more information

$0+10=10$ 	$4+6=10$ 	$8+2=10$ 
$1+9=10$ 	$5+5=10$ 	$9+1=10$ 
$2+8=10$ 	$6+4=10$ 	$10+0=10$ 

* addition sums to 10 using symbols, pictures, + and =

Phonics

We have been reviewing all the previously learnt phonemes and graphemes by reading in our groups and reading individually. The adults have been assessing the children's progress for Little Wandle Autumn 2 to ensure that next term they continue to be in a reading group that suits their needs best.

For home learning, you can...

- * continue to revise all the sounds and tricky words for the half term
- * create your own art inspired by the work of Matisse
- * listen to your child read every day
- * ask your child to teach you how to write addition sentences to 10 (they may choose to use + and = or draw a part, part whole picture)

The Christmas performance will on Tuesday 13th December at 10.00am or 2.15pm.

Please can your child wear a:
Green t shirt - Ladybirds class
White t shirt – Butterflies class
Red t shirt- Treefrogs class

Don't go out and buy anything specially, your child can wear something festive if you don't have the above colours.

Have a fabulous and restful weekend!

The Year One Team
