

Year Two Home Learning

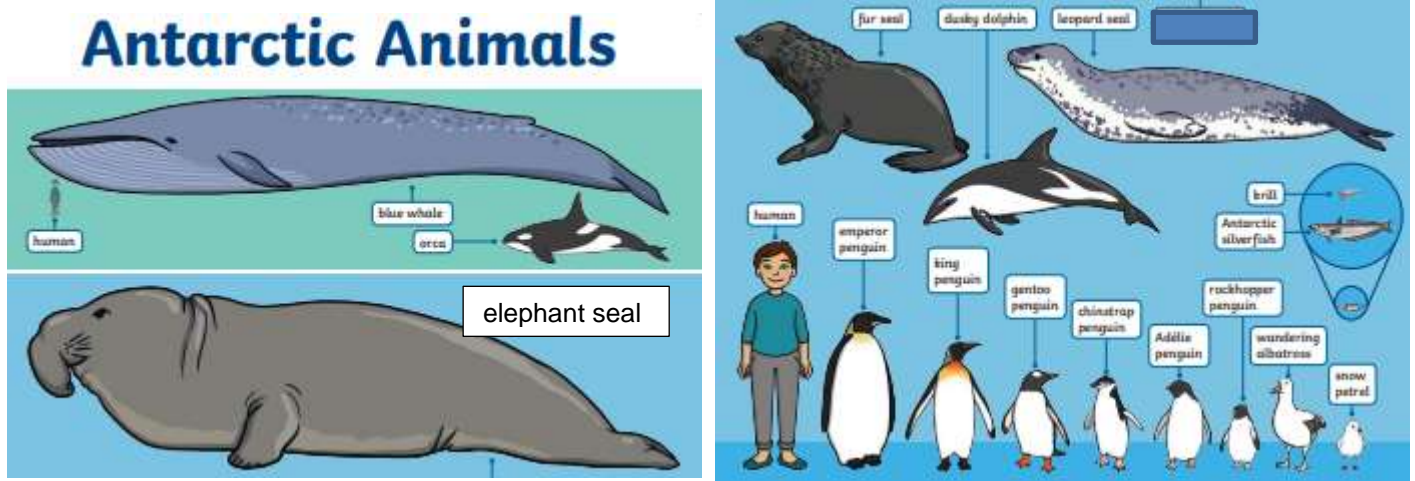

Spring 1, Week 3 28.1.23

This week...

- In **History** we have used historical photos to ask and answer questions about Antarctic expeditions. [This is a great page to find out more about Antarctica.](#) The children also [loved this song about Antarctic explorers.](#)

- In **English** we have been planning and writing our own versions of 'Ponko and the South Pole' by Meredith Hooper. We have changed some of the characters and used other Antarctic animals.

What is your favourite Antarctic animal?
Can you find out some exciting facts about it?

- In **Maths** we have been learning about money. We have identified the different coins and used these to make different amounts. We have also begun to solve problems using money. [Have a go at some of the activities online.](#)
- In **PSHE** we also learnt about money, thinking about why it is important and how to keep it safe.
- In **Indoor PE** we have been learning yoga poses with a jungle theme! What poses can you share with your adults? What helps you to balance?
- In **Outdoor PE** we have been using our dribbling skills to navigate through cones and take a shot at an empty goal.

Spellings: What strategy do you use to remember these words?

hole _____

whole _____

every _____

everybody _____

shivered _____

special _____

iceberg _____

captain _____

climb _____

clamber _____

endure _____

Write sentences using this week's words. Use conjunctions to extend your sentences, e.g. and, so, but, because, or, when
