

# Year One Home Learning

03.02.23

## This week:

- \* We developed our skills around asking and writing questions about why Bob needs to clean the moon.
- \* We practised our dance movements as rockets, astronauts and planets in the playground, modelling our space belts that we had designed and made.
- \* We used our phonics knowledge to write about our space day.
- \* We learnt how to count in multiples of 10 to 100, we made groups of 10 with pictures and wrote numerals focusing on the multiples of 10.

## For home learning, you can...

- \* listen to your child read every day.
- \* talk about the ways that your family Reduce, Reuse and Recycle.
- \* make something useful out of food packaging such as a pen pot out of a yoghurt pot/tin so can that you can use it again and again.
- \* research a female scientist for Women in Science Day on 11<sup>th</sup> Feb
- \* sort food/construction pieces/ clothing into piles of 10 & count totals

## Phonics

In phonics we have - have been investigating alternative spelling patterns for **u/ o-e/**, **o/ ou** for example: **touch, son, above, the** alternative spelling pattern for **z/se** for example cheese, and the alternative spelling pattern for **s/se** for mouse, **ce** for fence, **ee/ ey** for donkey.

We have also been learning to read and write the tricky words: 'people, your, their, thought, through, friend, and work'

Reading groups are on Monday, Wednesday and Thursday this term.

Please make sure you return the Little wandle books on Mondays as it affects the reading for the whole of Early Years.

Treefrogs and Butterflies would like book bags brought in every day.  
Ladybirds would like book bags on Monday, Thursday and Fridays.

**Have a fabulous and restful weekend!**

**The Year One Team**
