

Year One Home Learning Week 1 - 24.02.23

This week we have been:

- * Thinking about different types of toys, what our favourite is and why.
- * Learning about signs of spring in forest school.
- * Exploring how teen numbers are made up of tens and ones.

For home learning...

- Draw a picture of your favourite toy at home and tell an adult what you like about it and why, and add a label or two.
- Use some junk modelling you have lying around at home to make a toy!
- Look out for signs of spring on a local walk or in your garden.

Phonics

In phonics we have been continuing to learn the alternative pronunciation for 'or' (worm, work, world), 'oul' (could, should,), 'u' (awful, playful), 'are' (share, square, stare) and the different graphemes for 'or' (author, dinosaur, floor, walk). We have been reading and writing the tricky words: laugh, once, our, oh, their.

Have a fantastic and fun weekend!

Enjoy colouring
