

Nursery Weekly Newsletter Week 1 16.09.22

A huge **welcome** back to all our returning and new children, parents and carers. We have had a fantastic start to the year and have really enjoyed seeing the children settle in so well.

Morning Session

- Drop off - 8.45am –
- Pick up between - 11.35am and 11.45am

Afternoon Session

- Drop off - 12.30pm
- Pick up from 3.15pm

All Day

- Drop off - 8.45am
- Pick up from 3.15pm

Please ensure your child has:

- A spare pair of labelled clothes (to be kept on their peg)
- A labelled coat
- Please keep children's own toys at home

Every Friday morning from 8.45am – 9.30am, we will be holding a 'stay and play' session for parents and carers. So, if you would like to join us, please do!

Friday is also our WILD GARDEN day. The children will be able to spend part of their session, free to explore and make new adventures in the wild garden. We do have waterproofs for the children, but also remember to ensure they have appropriate clothing for this day.

This year we will be trying something new!

PARENT MEETING

Each week we shall select a number of 'focus' children. This means that each key worker, we will be spending specific time with those children. We will then arrange a short feedback session with the parent/carers at the end of the week, so we can celebrate all that they have done and answer any questions you might have. Hopefully, this will ensure you feel you are being updated on a more regular basis.

Please note however, that we are always here to speak to you at the beginning or end of each session.

Finally, its just to say, all of us have really enjoyed meeting you all over the last couple of weeks and are very much looking forward to a wonderful year ahead!

Have a fabulous weekend!
