

# Year Two Home Learning

## Summer 1, Week 1 21.4.23

Welcome back! We hope you all had a good break and are ready for the next half term.

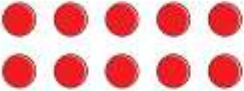

### This week....

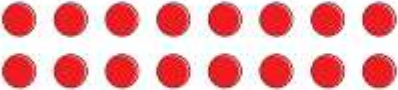

- We have introduced our Big Question:

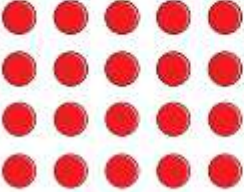

**What are tropical rainforests and where would you find them?**

- In Maths we have begun to learn about fractions. We have focused on recognising and finding half of shapes and objects.

Find  $\frac{1}{2}$  of each number.  
Use the arrays to help you.

a)   $\frac{1}{2}$  of 10

b)   $\frac{1}{2}$  of 16

c)   $\frac{1}{2}$  of 20

- We have continued to practise the 2, 5 and 10 times tables and the related division facts. Use the times tables sheet to practise at home. Do you know your times tables off by heart?
- In English our focus is poetry. We have been reading a selection of poems by different poets and we have chosen our favourite ones.  
Look at this BBC webpage and learn how to perform poems.

Listen to Michael Rosen perform 'Chocolate Cake'. Choose a poem and perform it to your family.
