

Year Two Home Learning

Summer 1, Week 2 28.4.23

What a week! We would like to say a massive **Thank You** for all your support.

This week....

- In Maths we have been finding halves and quarters of amounts. We looked at the connection between the fractions to help us do this.
- You could find **half** of each of these amounts, and then halve it again to find a **quarter**. Another way is to share the amount **equally** into four groups.

|--------------------------------|--------------------------------|--------------------------------|
| | | |
| $\frac{1}{2}$ of _____ = _____ | $\frac{1}{2}$ of _____ = _____ | $\frac{1}{2}$ of _____ = _____ |
| $\frac{1}{4}$ of _____ = _____ | $\frac{1}{4}$ of _____ = _____ | $\frac{1}{4}$ of _____ = _____ |

- In English, we have been performing poetry, thinking about rhythm, pitch, and dynamics. Watch Joseph Coelho for more ideas on how to make your performances come alive! <https://www.bbc.co.uk/teach/class-clips-video/english-ks1-ks2-understanding-poetry/zdwxbdm>

- In French, we have been eating breakfast! Try matching the words to the pictures.

le jus d'orange

le verre de lait

le chocolat chaud

We hope you have a lovely weekend!
