

## Year One Home Learning

### 6.5.2023

#### This week we have been:

- \* learning how to partition 2 digit numbers using part part whole.
- \* learning how to use a javelin in outdoor PE.
- \* investigating facts about crocodiles.

#### For home learning, you can...

- Practise number bonds to 20!

<https://www.youtube.com/watch?v=h6udqW6VhWg>

- Find out some interesting facts about an animal of your choice. Look in a non-fiction book or look on the internet.

#### Phonics

In phonics this week we have been revising these sounds:

'ue' (blue, argue), 'ew' (new, chew), 'u-e' (cube, rude)

We have also been revising tricky words: today, their, people, your, any

**Have a restful weekend!**  
**The Year One Team**

**Early Phase Garden Party, Sat 13<sup>th</sup> May 11.30 – 14.30pm – One week to go!**

Well done to the children who drew posters to advertise their Early Phase garden party - it's been lovely spotting them dotted all over school this week.

We still need your help, there are a number of ways that you can support:

- **Volunteers still needed** - Spaces remain on the rota for some critical areas such as the barbecue (serving/taking payments rather than cooking), the pre-loved toy stall, raffle tickets and some of the class games. If you are able to volunteer for an hour, please sign up here: [volunteersignup.org/XH377](https://volunteersignup.org/XH377). We know you want to enjoy the party with your children, so slots are an hour long, leaving you 2 hours to have fun together.
- **Amazon Wish List** – Thank you to everyone who has purchased craft supplies from our wish list. There are still some items left if anyone would like to support the event that way: <https://tinyurl.com/mr36wckx>

- **Cakes** - We would be grateful for donations of home-baked or shop-bought cakes and sweet treats for our cake stall. If you can bake something, please provide a full list of ingredients (**no nuts please**). Cakes can be left at the office on Friday 12th May or brought straight to the cake stall in the hall during the party.

**All of the money made from the garden party will go towards the cost of coaches for the Early Phase\* trip to Joss Bay in July**, so we're grateful for everyone's support and generosity. More information on the beach trip will follow soon. \*Nursery, Reception and Year 1 children.

What makes the Early Years Garden Party different?

The Early Phase Garden Party last year was such a colourful, fun and happy event. It's much smaller than the big summer and winter whole school events - and much less overwhelming for the younger children at Kilmore. Many families told us it was the highlight of the school calendar for them!

Since this trip last took place in 2019, the cost of coaches has risen hugely - and many London schools have had to abandon similar trips due to them now being prohibitively expensive.

For an inner city primary school like Kilmore, the trip to Joss Bay really matters. Not just because it is a super special day out which you and your child will always remember, but because there will be Kilmore children who have never experienced the joy of a day at the beach before.

All of this is a long way of saying please, please get behind the Early Phase Garden party in whatever way you can. With 1 week to go, things aren't looking good. We know you want to enjoy the party with your children, so slots are an hour long, leaving you 2 hours to have fun together.
