## Summer Week 6 – 26.05.23

We can't quite believe it is half term already. Where is the year going? We have all had a fabulous last week, despite lots of us being a bit poorly.

The children have been doing lots of creating this week, with a variety of materials. Something we're noticing is how independent the children have become in choosing their resources, using equipment and the ingenuity behind their ideas. They have all come such a long way. We've seen lots of giant airplanes and buses and we enjoyed chatting about the different vehicles we've travelled on and the places we have visited.

The children have enjoyed drawing sea creatures this week, inspired by our music sessions and using information books to help. Some have even turned their pictures into kites. In cooking they made delicious Summer fruit crumble. Fiona was very sad there was none left to try on Wednesday! Outside, the children have been carefully watering their plants and were excited to bring them home! Check the tags as this will tell you what they have grown and some are edible!

In our Wild Garden sessions, they have been busy looking for bugs and being 'wild things', inspired by Shula and Margaret's theatrical version of 'Where the Wild Things are.' Whilst inside, the children have been teaching the adults how to count to 5. Liz continues to insist it's 1, 2, 3, 7, 9. Thankfully for Liz, the children are very confident with their counting and have put her straight!

### Things to Note

#### The Great Kilmorie Design Challenge

Next term we will be working on a new project to design a product that we will be able to share/sell at the Parents Open Evening in July. We are looking for donations of juice and milk cartons. If you are able to, please bring them in the first week back. Many thanks.

#### Parent Meetings

Next term we will start meeting with parents of those children who started Nursery in January 2023. We can't wait to share how wonderfully they are all doing.

## **Beach Trip**

On Wednesday 5<sup>th</sup> July, Nursery, Reception and Year 1 children will be going on our exciting beach trip to Joss Bay in Kent. A letter has been emailed to all parents this week. If you have any questions, do ask any of the Nursery staff. Also, please note all Nursery children will need to be accompanied by a parent or adult carer to attend. Nursery will be closed that day, so if your child is unable to attend the trip, you will need to make alternative arrangements for your child.

We've had another lovely term full of adventures and can't wait for the next one. In the interim, have a truly wonderful half term and see you in June!

Fiona, Katrina, Sophie, Tracey and Liz
