

Year One Home Learning

26.5.2023

This week we have been:

- * Continuing to practise counting in 2s, 5s and 10s.
- * Learning that animals are grouped based on the types of food they like- herbivores, carnivores and omnivores.
- * Practising how to use a javelin and jump over hurdles in preparation for sports day next term.
- * Creating a toolbox of strategies that we can use, linking to Zones of Regulation

For home learning, can...

- Practise counting in 2s, 5s and 10s.
- Use your senses to explore somewhere outside- this could be your garden or the park. Draw a picture of the different things you explore with your sense.
- Make your own factfile for an animal of your choice. Use non-fiction books or the internet to find out some facts about your chosen animal - What does it like to eat? where does it live?

Phonics

In phonics this week we have been revising these sounds:

'ph' (phone, alphabet), 'wh' (when, wheel) 'ie' (shield) 'g' (giant, magic).

Alien words: frem, zuve, strad, brait, yad, skap.

We have also been revising tricky words:

Friend, once, our

Please look out for the beach trip letter and remember to complete the online form by Monday 29th May please.

Have a restful half term!
