

Year One Home Learning

13.6.2023

This week we have been:

- * learning about equal and unequal groups and making arrays
- * We have made paper pulp and left it to dry on screens adding dried flowers and seeds for our whole school design project.
- * We listened to the story of 'The 100 Decker Bus' and written about their favourite part and designed their own buses.
- * We had a very hot sports day!

For home learning, can...

- * You could divide food up into fractions such as halves and quarters for your family e.g. pizza, focusing on the parts all being equal.
- * Practise grouping the ingredients, for example 30 mushrooms grouped equally to go on 6 slices. Can you count how many in each group? Can you count them all a quicker way?
- * Draw a picture of your favourite form of transport, new or old
- * Draw faces and put different expressions on such as happy, nervous, cross or proud

Phonics

In phonics this week we have been learning these sounds:

Zh /su in treasure, si in vision, j / ge in large , j /
dge in bridg, i /y in crystal.

We have also been revising the tricky words:

friend eye because move improve laugh parents shoe

Have a restful weekend!
