

Year One Home Learning

27.6.2023

This week we have been:

- * Learning about quarter of an amount and shapes, understanding that they need to be equal parts
- * We have been making our seed packages and designing posters to entice parents and carers to buy our seeds.
- * We made orange welcome hearts for refugee week
- * We learnt about Amy Johnson who flew to Australia solo in 1930 breaking the world record.

For home learning, can...

- * Divide toys up into 4 equal parts
- * Encourage you family to bring £1.00 coins to buy seed packets on parent evening from 4-6.00pm on Thursday 6th June
- * Don't forget the beach trip on Wednesday 5th June

Phonics

In phonics this week we have been learning these sounds:
sh for ti in potion/ sh for ssi in mission and si in mansion/sh for ci in delicious

Grow the code: sh for: s ch ti ss si ci

We have also been revising the tricky words:
busy beautiful pretty hour any many through

Request from Shula (teacher)

I am writing to tell you about an exciting project I am undertaking to put together sets of sand play equipment that will stimulate and challenge all pupils in our early phase classrooms. I am looking for an assortment of resources that will enable the children to explore and develop the

key behaviours of sand play which are - digging, filling, pouring (emptying), moulding and sifting. This is where I'm asking for your help! Have you any of the items listed below that you could donate?

Cutlery (metal and strong plastic), spatulas, wooden spoons, slotted spoons, ladles, whisks, potato mashers, sieves, tea strainers, colanders, scoops, measuring spoons, funnels, moulds, jugs, buckets, pots , saucepans, small spades.

Due to limited storage space, I am looking for the smaller kitchen utensils, pots, jugs, bottles, etc.

Please give any donations to class teachers stating," sand project" or "Shula".

Thank you for your support.

Have a restful weekend! The Year One Team
