

Year Two Home Learning

Summer 2, Week 6 – 14.07.23

This week ...

- The Year 2 classes really enjoyed treading the boards at Catford Broadway to perform the Lion King. Well done, everyone! You should be so proud of yourselves!

- We were visited by the Born Free Foundation to help us understand the issues facing our natural world. Ask your child to tell you what they learnt from the assembly.
- To consolidate our maths learning from this year, we have been using clues to solve mysteries. Try the code-breaker problem at the end of this learning letter.
- We celebrated Bastille Day with Nasrine, who led us on some activities in the Wild Garden.
- To end our rainforest topic, we are going to make 'bird bread' and a 'tropical fruit salad' with the children next week. Instead of the usual party food, we would like children to contribute some healthy ingredients to make this. On Thursday, please could your child bring a tropical fruit eg pineapple, mango, kiwi, or popcorn for our movie on Friday.
Thank you so much for your generosity and support throughout the year.
- Kate's class have been reading the BFG and we would like to watch the movie when we have finished the book next week. As it is a 'PG' movie, please let me know if you do not want your child to watch it.

As we are finishing next week, please could you child bring in a bag to carry home their books.

We hope that you all have a relaxing weekend.

To find the answers to this summer-themed joke, solve the calculations to break the code by matching the answers to the corresponding letter.

A	B	C	D	E	F	G	H	I	J	K	L	M
2	67	4	39	50	36	37	71	10	85	16	20	9
N	O	P	Q	R	S	T	U	V	W	X	Y	Z
7	40	19	11	8	24	100	23	56	12	6	25	36

What did the beach say to the tide when it came in?

	Answer	Letter
2×10		
$30 + 10$		
$50 - \underline{\hspace{1cm}} = 43$		
$28 + 9 =$		
$60 + 40 =$		
$2 + 6 + 2$		
$11 + \underline{\hspace{1cm}} = 20$		
$47 + 3$		
$80 + \underline{\hspace{1cm}} = 87$		
8×5		
$3 + 21 =$		
$\frac{1}{2}$ of a 100		
$0 + 2 =$
